

<b>Course ID</b>	<b>Title</b>	<b>Frequency of Offering</b>
CSC 1000	Introduction to Programming	Every Semester
CSC 1010	Computer Science Basics	Every Semester
CSC 1100	Computer Applications	Every Semester
CSC 1150	Basics of Web Design	Every Other Year
CSC 1400	Computer Information Systems	Every Fall
CSC 1500	Computer Science I	Every Semester
CSC 1550	Computer Science II	Every Semester
CSC 1600	Introduction to Electronic	Every Fall
CSC 1650	Digital Electronics	Every Spring
CSC 1900	Discrete Mathematics	Every Spring
CSC 2400	Database Systems	Every Fall
CSC 2560	Systems Programming	Every Semester
CSC 2600	Computer Organization	Every Fall
CSC 2700	Business Programming	Every Spring
CSC 3050	Web Programming with Java	Every Other Year
CSC 3100	Operating Systems	Every Spring
CSC 3200	Programming Languages	Every Fall
CSC 3250	Advanced Topics in Web Development	Every Other Year
CSC 3300	Assembly Language	Every Other Year
CSC 3350	Small-Scale Embedded Systems Development	Every Other Year
CSC 3400	Data Communications & Networking	Every Fall
CSC 3450	Local Area Networks	Every Spring
CSC 3500	Object Oriented Programming	Every Other Year
CSC 3600	Microprocessors	Every Spring
CSC 3700	Algorithms and Data Structures	Every Semester
CSC 3710	Systems Analysis Methods	Every Fall
CSC 4200	Compiler Construction	Every Other Year
CSC 4350	Computer and Network Security	Every Other Year
CSC 4400	Software Engineering	Every Spring
CSC 4550	Database Programming	Every Other Year
CSC 4600	Digital Signal Processing	Every Other Year
CSC 4700	Systems Design & Implementation	Every Spring
CSC 4940	Internship	Every Semester
CSC 4950	Internship	Every Semester
