

Working Group Chairs Meeting
November 12, 2014
12:30-1:45 Miller Oval

In attendance: Sean Goodlett, Mike Greenwood, Christine Shane, Meg Hoey, Kisha Tracey, Randall Grometstein

1. Posting to Strategic Planning website – Chairs recommended that the papers be posted at the very top of the website, that the papers be archived in some manner, and that we not forget the great work that was done.
2. Key Priorities in all of the White Papers – Student Success initiatives and a closer coordination of efforts on campus were recommendations made consistently.

Student Success – Feature student engagement, the new demographics, experimentation, technology, services, collaboration, digital literacy, and alignment.

Closer Coordination – Between LAS and Professional programs, Marketing and Admissions, Community, Day and Evening (undergraduate and graduate)programs, and Technology and Online Learning

3. Overall Recommendations – More of a One School presence and focus on cost containment
4. Next Steps – Sharing the white papers
Community Forum on November 17th
SPC and EPC on November 20th
5. Congratulations on a job well-done Chairs!!
