Course Revision Details

Please provide current and proposed versions

* Remove the pre-requisites for this course.

Rationale and expected outcomes of course change.

*The pre-requisite course, BIOL 7012, has not been offered in at least 5 years and the course, EDUC 8060, does not require any content from BIOL 7012 since it has been offered from a STEM perspective.
Being Initial Licensure program is not applicable anymore.

How does this change affect the departments Learning Outcomes for the program? List any changes that need to be made.

None.

Course Syllabus

A syllabus is required when there is a change that impacts 50% or more of the current course content and curriculum or there is a change to the format of the syllabus that is outside of the University guidelines for graduate syllabi.
