

Mission

The bachelor degree in history provides students with a global perspective. Graduates master the written word, value interdisciplinary inquiry and are technologically and information literate. It affirms the value of education in the liberal arts and sciences as complimentary to professional disciplines. Faculty in history advise, teach and mentor students. Having chosen to teach students at a public university, faculty are committed to fostering ideals of citizenship and civic engagement among students and support them as life-long learners.

Academic Year 2024-2025  
Bachelor History Learning Outcomes
