122. Comments

1. I truly enjoyed my time here at Fitchburg State, I just wish for the History department that there was more involvement to show career options and more assistance/programs with where to go with that type of degree. Perhaps have sessions or meetings to talk about or look at possibilities for the field, I feel like I lacked in knowing where to go even though I know my place is to be involved with history. The professors of the History department are amazing and I look forward to finishing my last few courses with them.
