10. We are always looking for feedback to help us with quality and improvements. Is there something you would like to share with us regarding facilities or your program that wasn't captured above?

1. When you offer an online degree, please make sure that you offer all of the requirements in a fully online format. I encountered many difficulties in finding courses offered online. Many were hybrid, which I was unable to do. This makes the degree not a fully online degree.
Fix the bathrooms in Thompson. They are straight up nasty. Why add bathrooms in the second floor of Percival when the ones on the first floor were fine and ALL of the bathrooms in Thompson are straight up vile. They are so warm which makes it even grosser. I feel like I can smell the asbestos in the air. This school has money, and I am sure everyone would appreciate it if you put our tuition dollars to making those bathrooms less disgusting. I literally would walk to the library or Edgerty to use a different bathroom to avoid any of the ones in that building which meant instead of leaving class for 5 minutes, it was 10 to 15 with the walk. I'd be smarter if those bathrooms were nicer is all I'm saying.
2. The program should be more flexible in terms of courses. Considering the fact that there are a good amount of courses that are offered not so often and could not be find at other institutions. It is very frustrating especially when you are in the Senior year and the administration of the University does not want to cooperate.
3. Yes, graduating was honestly such a difficult process. I completed all my requirements over the summer and still haven't been officially awarded my last three credits to graduate. Mix up with the new Dean of Business

13. Is there something that you would like to share with us regarding our faculty, staff, or administrators that wasn't captured in the questions above?

1. Dr. Chan is the man.
Unfortunately, the administration of the University is not competent enough. Every time I have a question regarding my work degree, credits, necessary paperwork I get three different answers. I am very unsatisfied with the administration of the Fitchburg State University. It gave me a hard time from the beginning of my studies here.
2. I really would like that the administration of the University to be more informed about the situations of students that are transferred from abroad of the US. Also staff and administration should keep in mind that in other countries the education system is different. Thus, they should explain the students how everything is working in the US.

14. Is there something you would like to share with us regarding our offices, programs and services at Fitchburg State University that wasn't captured in the questions above?

1. Parking services sucks and just the parking in general. There are not enough spots for commuters and I have been late to class searching for a parking spot. Why not invest and build a two story parking garage where Ross is, double the parking, and cover the cost by increasing a parking pass from \$50 to \$75-\$100? I think more people would buy passes and over a few years the investment will pay for itself and your students will be happy. Or maybe instead of adding a parking garage, you could eliminate the dumb little gardens and mulched areas in the lot and create more spots.
The parking tickets that are issued when there is nowhere to park is bogus when this is mostly a commuter school. When a parking pass is purchased and you still get ticketed when there is no spots doesn't really make sense. Also the appeal process is somewhat iffy. I've written a few and some get accented but then simply reduce the fee. If were paying the parking tickets that money should be used not as another source of revenue but to either add parking or work on solutions.
2. My last class should have been processed much earlier. The Dean of Business waited three- four months to finally get my last three credits

16. As we have stated previously, we are always looking for feedback that will help us improve. Is there something more you would like to share with us about your overall experience at Fitchburg State University?

1. The teachers are great. I am very happy with the program here. However, the administration is prepared at a very low level. And the saddest part is that even a Dean is not able to answer a lot of questions and is not really willing to help the student.
P.S. I have happened to need the help of just one Dean. Thus, hopefully the rest of them know their job and want honestly to help the students.
2. Improvements I would suggest are more on campus cameras and security. For an example my car was hit in the Cedar townhouse parking lot and the there were no cameras so the campus police could not help me. More cameras and security measures could help improve car break-ins, accidents, and the overall safety of our on-campus students.
