122. Comments

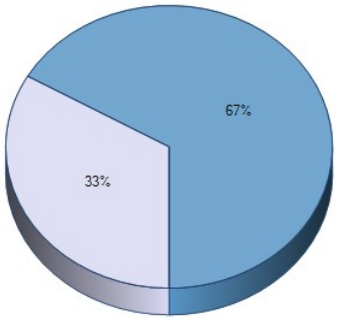

1.	Fitchburg State truly is the #1 state university in Massachusetts. Falculty and staff are there for you. Your peers are cheering you on and building you up. I found my home away from home here. I would not be who I am today without this excellent university.
2.	First off, my minor is GIS (Geographic Information Systems) but it was not offered as a suggestion however many pages ago. Secondly, I plan to attend nursing school part-time, while trying to work in a hospital part-time as well.
