122. Comments

- I believe that this school needs to reevaluate the way they treat students in terms of parking tickets and penalty fees for things such as losing a onecard.
- I have a really positive experience at Fitchburg State. I did encounter a lot of challenges between my personal life and family (raising young children), but as a student nurse (BSN program) and a current nurse (working as a LPN) it worth all the sacrifices that I made. Because I already feel that I'm working as an RN using the skills and knowledge that I'm getting from school. I really feel comfortable working in my field and I'm ready to work with more confidence and efficiency by caring for my patients with compassion, respect, and professionalism.
- Fitchburg State is awesome, but there needs to be much more parking available for resident students. I payed \$100 for a parking pass two years in a row and found myself having to park on the street majority of the time. Other than that, the experience has been perfect.
