**122.** Comments

1. The school needs more course offerings, the options for electives are extremely limited. Need more school activities and involvement.
2. My negative experience with the my experience at Fitchburg State comes from within the nursing department. I feel that RN to BSN students are not given the help and support they need in securing a clinical site and preceptor for the two courses that require clinical. It has been very discouraging and stressful.  
  
I have had a wonderful experience at FSU. The staff is really open and friendly and seem willing to help. I can tell that the administration is dedicated to helping students have a good experience, especially Pres. Bob who will be missed greatly. I think that the parking and shuttle service needs to be improved upon.
3. Some of the resident halls could use some renovating. Also, campus police needs to be more personable and helpful and less concerned with giving tickets and getting kids in trouble. I do not think tickets should be \$50 at all! College kids do not have that kind of money...it should be \$25 like the town of Fitchburg. Also, I think that the school should buy more of the apartments on Highland and Myrtle and fix them up so college kids can live there and the neighborhood will look nicer. Other than that I think FSU is a great school.
