Course(s) to be removed from Graduate Catalog (please indicate number and title):

COMM 7000 - Writing Workshop I
COMM 7500 - Writing Workshop II
COMM 8300 - Writing Workshop III
COMM 8400 - Writing Workshop IV

Rationale for removing the course(s):

We are requesting to remove COMM 7000, COMM 7500, COMM 8300, and COMM 8400 from Graduate Catalog, as these courses have not been offered for 15+ years, and they no longer fulfill the objectives of the current curriculum.

As stated in the Program change proposal, we are requesting to close the Technical and Professional Writing Concentration in Applied Communication program. Continuous lack of interest in this concentration (currently, 3 students are pursuing a degree in this concentration) serves as evidence that the program is not viable.

Does removal of this course affect any programs or plans of study? ☒ Yes ☐ No

If yes, please submit program change proposal form to show how requirements will change.
