Program Information

This proposal refers to a (check all that apply): ☐ Certificate Program ☒ Teacher Licensure Program ☐ Degree Program

Does the program run on a cohort model?

- ☒ Yes
☐ No

Will additional faculty be needed, day/adjunct?

- ☐ Yes
☒ No

Briefly describe program change to the existing program as it will appear in university catalog:

*We will replace EDUC 9060 Practicum in Education (5-12) with the new course EDUC 9XXX Practicum in Education (8-12) for the Graduate Program for Initial Licensure (5-12- Mathematics (8-12) .
This change will allow students in M.Ed in Education (5-12) program who are seeking licensure in Mathematics (8-12) to register for the appropriate practicum course that reflects the grade band of their licensure (8-12).

Population/anticipated enrollment/staffing plan (i.e., Who/how many will program serve?)

*We typically have 3-5 students per offering. This change will not impact staffing as these students are currently taking EDUC 9060. This will be a shift in their program to better fit with their licensure grade band.

Rationale and expected outcomes for program change:

*This change will better align students practicum experience and their sought licensure grade band.

Implementation plan (what semester will new policy/policy change begin; will change be phased in)

*This policy should go in effect in Fall 2021.

An old and new plan of study must be included with this proposal (Please use template for program revision).

If new courses are proposed or major changes are made to existing courses, submit a Graduate Council New Course Approval form.
