The Falcon Bazaar Food and Necessities Pantry

was created in response to Wisconsin Hope Lab Survey results indicating that 54% of those students taking the survey responded that they did not know where their next meal was coming from. The Bazaar is **FREE** and open to all students.

The Green Bag and Swipe it Forward Programs

were also created in response to our students' food insecurity needs.

Please consider bringing a non-perishable food item to Development Day for the University's Falcon Bazaar.
