122. Comments

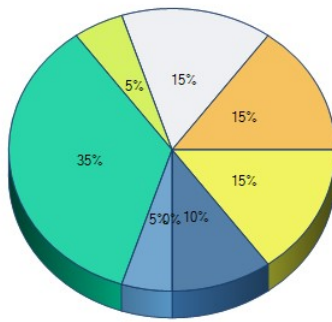

1. I had an absolutely fabulous experience with every department, administrator, and professor. I graduated in 1987 in Communications Media with a specialization in graphic design and I worked in that industry for twenty years. It was a great experience. At the age of 47, I decided to go back to school to get a Master of Education in Elementary Education. I was very nervous about returning back to school after so many years. All my professors in the Education Department were the most amazing, caring, supportive people I have ever met. I would like to thank Pauline Cormier, Gerry Gaw, Dick Beardmore, Annette Sullivan, Sue Rosa, Kathleen Lambe, Judith Sequin, Jason Miles, Ann Hogan, and every other professor I had (right now I have forgotten a few names). The registrar's office, Admissions, IT, Library, were so helpful and supportive as well. I truly loved my experience at FSU and if I could afford to take more classes, I would. Thank you. Thank you.
