

EXTENDED CAMPUS PROGRAMS

HANDBOOK

Dear Collaborative Partners,

On behalf of Fitchburg State University, we are pleased to provide you with this Handbook for Extended Campus Programs. Together our programs offer excellent educational opportunities including graduate, undergraduate, certificate and professional development programs across the state for working professionals who wish to pursue advanced education. We hope that you will find this handbook to be a useful resource that enhances our work together.

Please review the sections that are pertinent to your programs and let us know if there is any information that we can add to assist you further. It is a pleasure to work with you and we look forward to our continuing collaboration.

Sincerely,
Extended Campus Team

Dr. Lisa M. Moison
Associate Dean
School of Graduate, Online, and Continuing Education

Courses

Course Offerings

The Course Request Chart (*Appendix 1*) must be received at least 60 days prior to the first class session. The course syllabus must be attached to the Course Request chart. If a course has been previously approved or offered in the past, 30 days is sufficient time for approval. The syllabus for a pre-approved course must be submitted at least seven days before the start of the course.

Course Numbering System

Undergraduate courses are numbered 1000-4999

Graduate courses are numbered 6000-9999

- 6000-level numbers are reserved for professional development courses
- Numbers 7000-9999 are assigned graduate courses (higher course numbers imply higher level courses) (*Appendix 2*)

Graduate courses must contain study of an advanced nature involving a review of empirical research and philosophical issues relevant to the course objectives that are synthesized in an assignment that demonstrates the ability to critically analyze a topic or theory.

Topics Courses

A new course offered through a specific department on a trial basis is assigned a “Topics” prefix and number, e.g. “CRAR 8300 Topics . . .”. A “Topics” course may be offered only twice before it must be submitted for full approval by the academic department, then by the Graduate Council and finally by the University President. This process can take a year to complete. If it is not approved, it cannot be offered again. Courses with a PRDV (Professional Development) prefix do not need to go through the Graduate Council and can be offered multiple times.

Online and Hybrid Courses

Students in Extended Campus Programs who are taking online or hybrid courses must register for the course a minimum of 10 days prior to the start date of the course if the partner is using Fitchburg State's Blackboard LMS.

Syllabus

All courses must adhere to the Education Department syllabus template (*Appendix 5*) and rubric (*Appendix 6*) for Education courses and the new syllabus guidelines for all other courses (*Appendix 7*). All syllabi must include the most recent Extended Campus Library information (*Appendix 8*).

Hours of Instruction

Each course must contain no fewer than the minimum number of instructional hours prescribed as follows:

- 3 credits: 37.5 instructional (contact) hours and 75 out-of-class work hours
- 2 credits: 25 instructional hours and 50 out-of-class work hours
- 1 credit: 12.5 instructional hours and 25 out-of-class work hours

These hours are minimum hours that meet Carnegie unit requirements. Carnegie units assure that for each contact hour, there are two hours of course related work outside the class. These hours are exclusive of breaks, lunch hours, etc.

Special scheduling is at the discretion of the University and requires prior written approval. This scheduling includes special scheduling for intensive courses offered in a compressed time frame, such as three credit courses of less than two weeks duration. A Special Scheduling Request Form (*Appendix 9*) must be submitted along with the Course Request Chart.

Enrollment

The maximum enrollment for any course shall not exceed 30 students without the express written permission of the appropriate dean seven days prior to the start of the course.

Course instructors and/or agency administrators must check rosters at the start of each course to ensure that credit-seeking students have registered and are on the FSU roster.

Withdrawals

Students may withdraw from a course without academic penalty prior to the eleventh class or the twenty-sixth class hour for special or institute scheduling courses. Any student who does not attend class, but fails to notify the course instructor and the Extended Campus partner, shall automatically receive a failing grade for the course. It is the partner's responsibility to notify us about the withdrawal.

New Courses: Curriculum Development

Prior to developing new courses or programs, agencies are required to consult with the Director of Extended Campus Programs. The University database is extensive and may contain syllabi that will align with the desired new course. The University will work with the agency to determine whether the desired course meets the requirements of a course already in the database. If so, the process will eliminate the need for a "Topics" course (page 1).

Steps to follow with a New Course Idea:

- Contact Associate Dean of SGOCE
- Review syllabi in database

Course Matches: Use existing course prefix and number, imbed specific needs into the syllabus and submit a Course Request Form.

No Course Match: Work with department faculty to develop a research-based course.

Once the course is developed and approved by the Program Chair, the agency will submit the new course on the Course Request Chart. The course will be listed as a Topics course that can be submitted for acceptance into the University catalog.

Faculty

Faculty Approval

If an instructor is not an approved member of the University adjunct faculty pool, the Agency must submit the following documents 30 days prior to the start of the course (Appendix 10):

- Resume
- National Student Clearinghouse release (Masters Degree or higher- terminal degree preferred)
- Adjunct Faculty Pool Form and Master File Form

Faculty Evaluations

Student Evaluations of Faculty

The University will email student evaluation forms to students directly. It is critical that the agencies remind their students to fill these out at the completion of their course. The evaluations are anonymous and results will be emailed to the instructor directly.

Adjunct Faculty Evaluations

Program Chairs, the Associate Dean of the School of Graduate, Online and Continuing Education and/or the Deans will schedule classroom visitations to evaluate courses offered at agencies during the period of the contract. The office of the Dean of Graduate, Online, and Continuing Education (SGOCE) is responsible for sharing the results of these evaluations with the instructor and program chair. The instructor must acknowledge receipt of the evaluation. Copies of the evaluation results are maintained in the office of Extended Campus Programs (*Appendix 11*).

Course Access

To access class lists and grade rosters go to: <https://facultyssb.fitchburgstate.edu/>

New Degree-Seeking Student Checklist

Students who are interested in a graduate program should complete the following

Set up an advising session

- Contact agency advisor or an SGOCE enrollment coordinator, Jen Murray at gceadvisor@fitchburgstate.edu or call 978-665-3660.
- Request a plan of study for the degree program you wish to pursue.

Begin admissions process

- Go to www.fitchburgstate.edu/admissions/graduate/apply to learn how to apply for a graduate degree.
- Contact an SGOCE Admissions Counselor at gceadmissions@fitchburgstate.edu if you have additional questions.
- Graduate Students—check on the Admissions website to see if the program you are applying to requires additional testing.
- Undergraduate and International Students should contact Admissions for further details and visit www.fitchburgstate.edu/admissions.

Your University Credentials*

- Your University Credentials, is the username and password used to access various resources at Fitchburg State. Your credentials allow you to access campus technology systems such as your email account, Blackboard online courses, lab/classroom computers, Fitchburg State Alert, library resources, and more.
- It also enables you to connect to Wi-Fi and register devices on the network.
- Most university applications can be found on the Login Portal at login.fitchburgstate.edu.
- You receive your credentials in your welcome email. Your username will be the first part of your email address (e.g., jsmith1), and your initial password is FSU-XXXXXXXX.
- Where X's are, you will use the last eight digits of your Banner ID number (e.g., FSU-12345678). Your faculty/staff ID number can be located on the front or back of your OneCard or in your new hire workflow email from Human Resources. For increased security, we strongly recommend you change your initial password

Get a One Card*

- Fitchburg State University offers you the convenience of a campus One Card system. The OneCard is the official Fitchburg State University identification card and you'll use it to access many services around campus—it's your library card, recreation center pass, meal card, door key, access to campus events and more. You can store funds on your card so you can pay for things around campus without carrying cash. OneCards are issued by the OneCard Office
- Please visit www.fitchburgstate.edu/onecard or call 978-665-3039 for more information.

Check grades, register for courses, view payments and make changes to personal information

- Go to [My Falcon](#) (My Falcon Requires your Fitchburg State University student email). Once students have registered for a course or been admitted to a program, they will be given their credentials and can obtain a One Card.

Register for courses

- Graduate students cannot take more than twelve graduate credits if they have not been formally admitted into a program and plan to pursue a degree.
- Review distance learning guidelines at www.fitchburgstate.edu/distance/.

New Students

- New Extended Campus students, without a student record, still create their student record [here](#).
- Once the new student record is created, an automatic email is sent to the student with their university email address and password.
- An additional email is sent to the student with the new link to [MyFalcon](#) to register for their course.

Returning Students

- Returning Extended Campus students (meaning they already have a student record) can go directly to [MyFalcon](#) to register for their course.
- All students will need to have [multi-factor authentication](#) (MFA) set up to access MyFalcon and their university email account.
- Once an Extended Campus student is registered for their course, they will receive an automatic email notification with payment information (if applicable).

Grades

Grades must be submitted to the University Registrar, by the course instructor, within 72 hours of the last class via the web-based system. This method ensures direct and immediate grade submission.

If extenuating circumstances exist that preclude a faculty member from submitting grades on line please contact the Registrar's Office at 978-665-4196 for assistance.

Faculty grade entry instructions are available [here](#).
[Faculty Grade Entry Instructional Video \(YouTube video\)](#)
[Faculty Grade Entry Login Instructions \(Google Doc\)](#)
[Faculty Grade Entry Documentation \(Google Doc\)](#)

Grading System

The Agency shall require that all instructors adhere to the following grading system:

Undergraduate Student Grades

Grades are awarded on a numerical scale as follows:

Fitchburg State Grade*	One Hundred Point Equivalency	Letter Grade Equivalency
4.0	A	95 –100
3.7	A-	92 – 94
3.5	A-/B+	89 - 91
3.3	B+	86 – 88
3.0	B	80 – 82
2.7	B-	83 – 85
2.5	B-/C+	77 – 79
2.3	C+	74 – 76
2.0	C	71 – 73
1.7	C-	69 – 70
1.5	C-/D+	67 – 68
1.3	D+	64 – 66
1.0	D	60 – 63
0.0	F	0 – 59

Incomplete

- The purpose of an incomplete course is to account for extraordinary circumstances in students' academic and personal lives and to accommodate a need for extra time.
- Instructors may assign an incomplete grade (IN) at their discretion if a student has completed 80% of the coursework and only when it is mathematically possible for a student to pass the class with a 2.0 or higher, on successful completion of the incomplete work.
- Instructors will assign a deadline for completion of the work no later than the last day of classes of the next semester. (Semesters Include, Fall, Winter, Spring and Summer). If the student does not complete the work, this will result in an automatic grade of 0 for the course.
- Students should be aware that, while an IN is not counted in the determination of academic standing, it may have an impact on eligibility for financial aid, athletic participation, and the satisfaction of prerequisite credits.

Graduate Student Grades

4.0	95 - 100	A
3.7	92 - 94	A-
3.5	89 - 91	A-/B+
3.3	86 - 88	B+
3.0	83 - 85	B
2.7	80 - 82	B-
2.5	77 - 79	B-/C+
2.3	74 - 76	C+
2.0	71 - 73	C
0.0	0 - 70	F
W	Withdrawn	
IN*	Incomplete	
IP**	In-Progress	

* An Incomplete may be awarded with the recommendation of the instructor when the student has completed 80% of the coursework but cannot complete the remainder due to illness or some other serious reason. The student must complete the work and the instructor must submit a change of grade to the University Registrar within four weeks of the following semester. Failure to do so will result in an automatic grade of 0.0 for the course.

** A grade of IP may be awarded for a thesis, practicum, internship, or clinical experience at the end of a semester or other instructional period when the student has made progress but has not yet completed all work. Practica and internships need to be completed within two semesters. Theses need to be completed within three semesters. Once the student has completed all work, the instructor must submit a change of grade to the University Registrar. If the work is not completed within the allotted time, the IP will be changed to an IN or a 0.0.

Registration & Payment

All students must register no later than the second class meeting or 14 days following the first class, whichever occurs first. Registration and payment must meet the conditions of the Letter of Agreement. The Agency shall require students to pay tuition at the time of registration for a course. Students are not considered registered by the University until tuition has been paid to the University. In courses which are special scheduling, there is no refund to the student.

Advertising Policy

All advertising must be approved by Fitchburg State Extended Campus Programs PRIOR to implementation. Advertising and promotional literature shall be developed and published by the Agency at its sole expense. This policy insures consistency with published University policies. The Agency's promotional materials shall not be published without the University's prior written approval and must be sent to the office of Extended Campus Programs at least 10 days prior to printing.

Degree Programs

Request to Implement

Prior to implementing a new degree program a completed and approved Request to Implement form is required. The form must be submitted to the university at least 60 days prior to the start date for new programs and 30 days prior for replacement programs. Plans of Study must be attached to each Request to Implement (*Appendix 12*)

Plans of Study

Degree-seeking students should be following their Degree Works as the official record of degree completion. Plans of Study must be submitted to the Registrar's Office by the program chair so that a student's Degree Works can be updated accordingly.

Educator Licensure

Programs that lead to teacher licensure that are being sponsored through Fitchburg State University must work with the Academic Program Chair or Manager to monitor student progression through the appropriate gates or stages of the licensure process. A schedule will be set up and attached to the Request to Implement Form along with the Plan of Study.

District-Based Licensure

Approved Department of Education District-Based Licensure programs using Fitchburg State University courses and/or degrees will be so designated on the Request to Implement Form. A copy of the approved licensure program will be provided to the university.

Faculty & Courses

Faculty and courses in degree programs must be approved by both the Department Chair for the major and the Program Chair or Manager as well as by the appropriate Dean and Associate Dean of Extended Campus Programs. (*Appendix 10*)

Faculty Meetings

Degree programs require two annual faculty meetings with the Associate Dean of the School of Graduate, Online and Continuing Education and the Graduate Program Chair / Undergraduate Program Manager, and the Dean of Education / Dean of Graduate, Online, and Continuing Education.

Library Services

To insure library-services, students must pre-register for degree-program courses at least 10 days prior to class start dates.

Activate your library account online at <http://library.fitchburgstate.edu/facilities-services/technology-assistance>

Admissions

Students seeking degree programs must apply for admission into the program immediately. The criteria for admissions can be found at www.fitchburgstate.edu/admissions/graduate.

The Graduate Chair of each program reviews and approves the acceptance of all transfer courses. *No more than 6 credits from an accredited institution or 12 credits from Fitchburg State can be transferred into a program.* This number includes courses taken at Fitchburg State University prior to acceptance as a degree candidate. All university policies as stated in the catalog at the time of admission into the program must be followed. Students should be advised to complete the “Request for Transfer of Graduate Credit” in the application packet which facilitates the course transfer process.

Agency Degree Candidates

At the start of each semester the agency must supply Graduate Program Chairs and the Associate Dean of the School of Graduate, Online, and Continuing Education programs with lists of all degree program participants including address, phone number and email address for each student.

Academic Advising

The University assigns an advisor or site coordinator who acts as the academic advisor to degree seeking students upon acceptance into a degree or certificate program. This person is the primary contact for all advising questions. If there are problems reaching him/her, the SGOCE Advisor can assist you. General academic advising is available Monday through Friday from 8 am–5:00 pm at 978-665-3660.

Appendix 5—Syllabus Guidelines

Appendix 6—Rubric for Evaluating Syllabi

 FITCHBURG STATE UNIVERSITY 150 Fitchburg Avenue Fitchburg, MA 01525 978.662.2000 www.fitchburgstate.edu	EXTENDED COURSE PROGRAMS COURSE SYLLABUS RUBRIC
Program: _____ Instructor: _____	
Course: _____ Date: _____	
Rating: 1 = Needs work; may miss critical elements; provides weak explanation. 2 = Acceptable; includes minimum explanation. 3 = Target; provides clear, well-reasoned explanation.	
Category: _____	1 2 3
1. Course heading Includes course, with name of department/department, course number, title of course, credit hours, semester/year (e.g., Fall, 2006, 17A & 2006 PM) Includes instructor's name, title and contact information (e.g., pharmaweb@fitchburgstate.edu)	
2. Course description Provides paragraph narrative overview. Describes key prerequisites.	
3. Materials/Texts Includes texts that are REQUIRED in the course. Uses list of recommended textbooks (in APA format) for all reading materials (author, last, date, place of publication, publisher). Sources covered (text, website, live, video, printed cases).	
Learning Outcomes/Objectives Lists primary and/or the students will learn by taking this course. States in learner-centered, measurable terms. Includes students' initial exposure to content and acquire content knowledge, as well as comprehend, apply, analyze, synthesize and evaluate material (Bloom's Taxonomy). Characterizes the outcomes in meaningful terms, using verbs like: • Aligns to framework	
4. Learning Objectives/Outcomes Includes explanation of how material will be taught; relating objectives to learning outcomes (include and group objectives, state objectives, organizational presentation, etc.) Includes evidence that diversity of methodology is indicated. Includes students that grade each week to explore, learn, and create content in appropriate theory and requires a high level of critical thinking, analysis and synthesis of material. Identifies teaching materials.	
5. Course Requirements Defines student assignments as much detail as possible. Includes parameters for assignments/assessments. Includes objective assignments (e.g., essays, lab, etc.) with the end of the first unit, your knowledge of _____ will be tested). Includes assignments that grade each week to explore, learn, and create content in appropriate theory, number of classes, citation style, key questions, etc. Provides rubric for assignment assessment	
Evaluation/Grading Policy: Describes in detail how students are to be graded (e.g., research paper (20%), journal article (15%), tests (30%), etc.) Allows for participation grade of NO MORE THAN 1%. Notes the percentage in post-unit system to assign final grade (A, B, C, D, F).	

Appendix 7—Graduate Courses: Syllabus Guidelines/ Course Information

FITCHBURG STATE UNIVERSITY
Graduate Courses
Syllabus Guidelines/Course Information

Prior to the end of the first week of the semester, the instructor will distribute to each student in each course and section a written and dated course syllabus, which must contain at least the following information:

1. The instructor's name, department/program, course number and title, credit hours, semester/day/time of class, office location, office hours, email address and telephone number.
2. Official course description.
3. Course goals and learning objectives.
4. The instructor's attendance policy for the course (e.g. no attendance taken, number of absences allowed, any penalty for extensive absence, etc.).
5. A list of texts and/or additional resources such as software, for the course, indicating which are required and which are optional.
6. The course requirements for assessment, such as papers, projects, and examinations (with due dates, if possible).
7. A statement on the nature of the final exam (e.g. exam, project report).
8. A list of topics to be covered and the activities expected from the students.
9. The method by which student's final grade in the course will be determined.
10. The instructor's policy on work handed in late, makeup examinations, and the like.
11. Any special rules, regulations, or procedures of the course.
12. A statement indicating each student is responsible for completing all course requirements and for keeping up with all activities of the course (whether a student is present or not).
13. A statement regarding the Fitchburg State University Academic Dishonest policy.
14. A statement regarding the Fitchburg State Disability policy.

Rationale

NEASC and secondary accrediting bodies (e.g. International Assembly for collegiate Business Education, Commission of Collegiate Nursing Education, National Council for Accreditation of Teacher Education, Accreditation Board for Engineering and Technology, Council for Standards in Human Service Education), are focusing and requiring significant commitment to assessment of all aspects of university academic programming. Fitchburg State University has identified academic program planning and assessment as priorities of the Strategic Plan and has devoted resources at the academic department and administrative level to develop academic plans that include comprehensive assessment systems. Assessment of academic programs and courses at all levels cannot proceed without first identifying suitable goals, defined as broad statements of program and course purposes, as well as measurable objectives/outcomes. The guidelines will also serve as another attempt on the part of the Fitchburg State University community to improve academic quality.

Appendix 8—Library Statement

FITCHBURG STATE UNIVERSITY ON-LINE
LIBRARY SERVICES

The Galbucci-Cirio Library at Fitchburg State University provides a full range of library services including borrowing privileges, document delivery (books and articles mailed to your home), Interlibrary Loan, online and phone reference assistance, access to subscription databases, library instruction, and more. Any questions relating to library services should be directed to the Access Services Librarian at 978-665-3962 or JULIA.ARKVA@FITCH.BGSTATE.EDU. There is also a special section for Distributed Learning Library Services at <http://lib.fitchburgstate.edu/dl-services/>, outlining the wide range of services available to you and how to access them.

Students who are currently registered with the college may access any of the library's subscription databases, including an increasing number with full-text, by visiting the Galbucci-Cirio Library's homepage at <http://www.fitchburgstate.edu/library/> and clicking on the All Research Databases link to select the resource you want to access from the alphabetical listing or clicking on the Research Guides for Majors link and select from the subject listing. Once you click on the database title you will be prompted for your Falcon Key login information; this is the same login you will use for your Fitchburg State email account and if you have any online Blackboard courses. If you do not know your Falcon Key username and password or if you have any problems logging in, contact the college's Information Technology Help Desk at 978-665-4500. The Library can issue you a temporary guest Falcon Key to use while the Information Technology Department is setting up your account; contact us at 978-665-3962 or JULIA.ARKVA@FITCH.BGSTATE.EDU.

All registered Fitchburg State students are eligible for a Fitchburg State One Card ID which also serves as his/her library card. If you have not received your One Card yet, you can still access all of our online services as long as you have activated your library account. Activate your library account online at <http://www.fitchburgstate.edu/library/activate.asp> or in person at the Circulation Desk. After activation by the Galbucci-Cirio Library and receipt of your One Card, students may also use any Massachusetts State College and University Library and participating libraries in the Academic and Research Collaborative (ARC) during the current semester. ID cards are available on campus all year round. To obtain an ID card, students must either complete the online Photo-less One Card request form (<http://www.fitchburgstate.edu/technology/onecard/photoless/index.cfm>) or present a course registration confirmation at One Card Office in the Anthony Building of the main campus. Please call 978-665-3039 for available times or if you have any questions about your One Card.

Appendix 9—Special Scheduling Request

Extended Instruction Program Special Scheduling Request Form
Fitchburg State University
Division of Graduate and Continuing Education

COURSE NUMBER _____ CREDITS _____

COURSE TITLE _____

INSTRUCTORS NAME _____

PROPOSED COURSE SCHEDULE _____

Special Scheduling for 3 (three)-credit courses 2 (two) weeks in length or less must be approved by the division. This form must be submitted along with the Course Request Form (see attached). Intensive one and two week courses ONLY will be considered for carefully designed, pedagogically sound courses.

Please discuss your reasons for special scheduling. Include how accommodations will be made for outside research and reflection.
