PLO Assessment (Please report on the PLOs assessed and/or reviewed this year, programs should be assessing at least one each year.)

Using the table below, list and briefly describe the **direct method(s)** used to collect information assessing whether students are learning the core sets of knowledge (K), skills (S) and attitudes (A) identified as essential.

PLO #	Assessment description (exam, observation, national standardized exam, oral presentation with rubric, etc.)	When assessment was administered in student program (internship, 4 th year, 1 st year, etc.)	To which students were assessments administered (all, only a sample, etc.)	What is the target set for the PLO? (criteria for success)	Reflection on the results: How was the “loop closed”?

PLO’s 1 – 7 and SLO’s 8 - 14	BSBA Capstone Integrated Case with rubric (direct measure of learning outcomes)	Senior year	Sample	On the BSBA capstone integrated case evaluation rubric, the overall mean rating of graduating students on each core-outcome-related evaluation criterion will be 3 or higher and on the concentration specific-outcome-related evaluation criterion will be 4 or higher (out of a possible 5 representing “exemplary”)	Students performed on or above targets for this measure during the prior year’s assessment.

II. Summary of Findings: Briefly summarize the results of the PLO assessments reported in Section II above combined with other relevant evidence gathered and show how these are being reviewed/discussed. How are you “closing the loop”?

<p>Other than GPA, what data/evidence is used to determine that graduates have achieved the stated outcomes for the degree? (e.g., capstone course, portfolio review, licensure examination)</p>	<p>Who interprets the evidence? What is the process? (e.g. annually by the curriculum committee)</p>	<p>What changes have been made as a result of using the data/evidence? (close the loop)</p>
<p>BSBA Capstone Business Simulation Project and rubric BSBA Capstone Integrated Case and rubric BSBA Internship Survey</p>	<p>Department chair, BSAD department assessment coordinator, and faculty reviewed with particular emphasis on results bellow desired thresholds</p>	<p>After the previous year’s assessment, BSAD faculty who teach accounting students were advised that only 71% of accounting students indicated they</p>

<p>BSBA Senior Exit Survey</p>		<p>were able to describe the global environment of business (LO 3) to a moderate or great extent (below the 80% threshold) within the internship survey. This year's data suggests this loop has been closed as the percentage for accounting concentration students increased to 84% this year in the internship survey. (And, was above threshold for all other measures.)</p>
<p>BSBA Capstone Business Simulation Project and rubric BSBA Capstone Integrated Case and rubric BSBA Internship Survey BSBA Senior Exit Survey</p>	<p>Department chair, BSAD department assessment coordinator, and faculty reviewed with particular emphasis on results bellow desired thresholds</p>	<p>After the previous year's assessment, marketing instructors were advised that the learning outcome result was a 3.8 (below 4.0 threshold) for ability to demonstrate knowledge and competencies in fundamental marketing concepts, theories, and principles in areas of marketing policy, market and consumer behavior, produce distribution, promotion, and pricing (LO 10) within the simulation project. This year's data suggests this loop has been closed as the percentage for marketing students increased to 5.0 this year in the simulation project. (And, was above threshold for all other measures.)</p>

BSBA Capstone Business Simulation Project and rubric BSBA Capstone Integrated Case and rubric BSBA Internship Survey BSBA Senior Exit Survey	Department chair, BSAD department assessment coordinator, and faculty reviewed with particular emphasis on results bellow desired thresholds	During this assessment period, all targets were met.

Assessment Plan for Program/Department

I. Insert the program or department Assessment Plan

The latest Business Administration Department assessment plan will be provided with this report.

II. Explain any changes in the assessment plan including new or revised PLOs, new assessments that the program/department plans to implement and new targets or goals set for student success.

No changes were made to the department’s assessment plan.

III. If you do not have a plan, would you like help in developing one?

Yes

University Data

I. SSC Data

Indicate **at least one** Student Success Performance Measure that the department/program has identified for planned change or improvement.

Freshman retention, bottleneck courses, graduation rates, at risk student retention etc.

a. What was the focus this year?

Student Success Measure	Implemented Intervention	Update on Implemented Intervention
-------------------------	--------------------------	------------------------------------

(data point from SSC)		(i.e. change in target, satisfied with outcome, not satisfied, will continue or not)
<p>Graduation Rate by 1st Year GPA</p> <p>Note: We selected this measure because the previous year's data indicated that the BSAD has a higher than average FSU institution graduation rate for students with mid-range GPAs, but lower than average graduation rates for some of the higher end GPA ranges.</p>	<p>The BSAD chair reached out to 1st year students with GPA's 3.6 and higher and informed them about the new business honor society and business department club opportunities.</p>	<p>This is last year's data: -8.5% 4.0+, -3.4% 3.8-3.99, and 6.4% 3.6-3.79.</p> <p>Target scores: at least 0% (the same as the institution)</p> <p>We are waiting for 2017-2018 SSC Data to see if there has been an improvement.</p>

b. What will your focus be for the upcoming year?*

Student Success Measure (data point from SSC)	Rationale for selection	Planned or Implemented Intervention	Current score/ Target Score	This measure was selected because of last Program Review or Accreditation (yes/no)
Graduation Rate by 1 st Year GPA	We will monitor the same data point as the previous year and continue efforts to improve retention of higher GPA students. We will also focus on lowering the rate of transfer students.	Continue to reach out to 1 st year students with GPA's 3.6 and higher and inform them about the honor society, business club, and other opportunities.		No

*Note: Programs may wish to monitor or review the same data point over multiple years.

II. Trend Data

Indicate **at least one** Department Performance Measure that the program/department identified for change or improvement. Number of graduates, number of majors, credit production, substitutions etc.

a. What was the focus this year?

Department Performance Measure (data point from Trend Data)	Implemented Intervention	Update on Implemented Intervention (i.e. change in target, satisfied with outcome, not satisfied, will continue or not)
Increase FT faculty in department	Administration approved searches for two new tenure track BSAD faculty members. These searches were originally scheduled to begin Fall 2017.	Management and department chair decided to wait for the new dean before conducting searches.
Increase number of Entrepreneurship Minor students	Offered Introduction to Entrepreneurship course during fall semester, and attempted to recruit students to the minor. Also tried to recruit through Entrepreneurship Club.	Will continue as there was no change (increase) in number of minors.

b. What will be the focus next year?*

Department Performance Measure (data point from Trend Data)	Rationale for selection	Planned or Implemented Intervention	Current score/ Target Score	This measure was selected because of last Program Review or Accreditation (yes/no)
Increase FT tenure and tenure-track faculty in department	While there has been increasingly fewer FT tenure and tenure-track BSAD faculty each year,	Conduct faculty searches.	9/12	No

March 2018

	the number of BSAD major and minors has increased.			
Increase number of Entrepreneurship Minor students	The number of minor students did not change from previous year	Consider AUC proposal to allow business students to obtain this minor (currently only nonbusiness majors have this opportunity). Continue utilizing Entrepreneurship Club and Introduction to Entrepreneurship as recruitment vessels.	3/20	No

*Note: Programs may wish to monitor or review the same data point over multiple years.
