15. What did we not ask you about but you feel we should know?

- The extra curriculars at Fitchburg State such as Sigma Sigma Sigma, Student Government, Alternative Spring Break, etc. were what I learned the most from. The course work was all useless.
- The first question asked about whether I am working in a field related to my major. I am not, as I pursued a Master's degree in a different field and am now working with that. However, I chose to change career paths based on my experiences and encounters at Fitchburg State, and am very grateful to have attended.
