7. We are always interested in our Alumni's continued interest in their personal and professional development. Which, if any, professional organizations have you joined since completing your program of study?

- N/A
- 1. Instead of asking what individuals have done after college ask how FSU can improve. Since I graduated college, its probably one of the worst thing I could have done is going to college. Not only am I in debt but im not even working in my feild. No one told me it would take a while or at times never to get a job . Plus on top of that we werent taught anything that would help us today. Like how to properly file a tax return. How to apply for a loan and so on.
