**10.** We are always looking for feedback to help us with quality and improvements. Is there something you would like to share with us regarding facilities or your program that wasn't captured above?

The Game Design Internship program needs serious serious help. I was lucky enough to get an internship, but no one else did, and the school does not help what so ever in trying to help the game students. In fact it does the opposite. By not allowing you to get internship credit until all of you classes are complete. So you not only have to be that 1% of people that actually get a Game Design internship, but also you must get it at the "correct" time. That is why I am one of the only one in our program's history to get an internship.
