----------	---------------------------------------	-----

*Honors seminars at the 2000 level may be taken in any order.

Thesis

Honors students will pursue thesis work in an area of interest. Each thesis requires two readers. It is also possible to begin thesis in the Spring semester of Junior year or to combine both HON 4990 and HON 4991 into the fall semester of Senior years.

Math Requirement

Honors students will take an LA&S math course necessary for their major provided that the course is at or above the level of Calculus; in other cases they will take HON 1700 - Honors Applied Statistics.

Foreign Language Proficiency

Honors students must demonstrate proficiency at the Intermediate 2 level in a foreign language.

Completion of 120 credits required for graduation.
