**II. PLO Assessment (Please report on the PLOs assessed and/or reviewed this year, programs should be assessing at least one each year.)**

Using the table below, list and briefly describe the **direct method(s)** used to collect information assessing whether students are learning the core sets of knowledge (K), skills (S) and attitudes (A) identified as essential.

PLO #	Assessment description (exam, observation, national standardized exam, oral presentation with rubric, etc.)	When assessment was administered in student program (internship, 4 <sup>th</sup> year, 1 <sup>st</sup> year, etc.)	To which students were assessments administered (all, only a sample, etc.)	What is the target set for the PLO? (criteria for success)	Reflection on the results: How was the “loop closed”?
1	Exam	1 <sup>st</sup> year; 3 <sup>rd</sup> year; 4 <sup>th</sup> year	All enrolled in targeted classes	Rubric category of “Proficient”	Discussions on best strategies to close the loop are ongoing.
2	Paper	1 <sup>st</sup> year; 3 <sup>rd</sup> year; 4 <sup>th</sup> year	All enrolled in targeted classes	Rubric category of “Proficient”	Discussions on best strategies to close the loop are ongoing
3	Exam; Paper	1 <sup>st</sup> year; 3 <sup>rd</sup> year; 4 <sup>th</sup> year	All enrolled in targeted classes	Rubric category of “Proficient”	Discussions on best strategies to close the loop are ongoing

**III. Summary of Findings:** Briefly summarize the results of the PLO assessments reported in Section II above combined with other relevant evidence gathered and show how these are being reviewed/discussed. How are you “closing the loop”?

<b>Other than GPA, what data/evidence is used to determine that graduates have achieved the stated outcomes for the degree? (e.g., capstone course, portfolio review, licensure examination)</b>	<b>Who interprets the evidence? What is the process? (e.g. annually by the curriculum committee)</b>	<b>What changes have been made as a result of using the data/evidence? (close the loop)</b>
Alumni survey	Faculty	Discussions on changes are ongoing.

### University Data

#### I. SSC Data

Indicate **at least one** Student Success Performance Measure that the department/program has identified for planned change or improvement.

Freshman retention, bottleneck courses, graduation rates, at risk student retention etc.

For future semesters, our goal is to increase enrollment numbers in the major.

a. What was the focus this year?

[implementation of this item is in progress – see above]

Student Success Measure	Implemented Intervention	Update on Implemented Intervention
-------------------------	--------------------------	------------------------------------

<b>(data point from SSC)</b>		<b>(i.e. change in target, satisfied with outcome, not satisfied, will continue or not)</b>

b. What will your focus be for the upcoming year?\*

[During the meeting with Merri Incitti we were informed that our full Assessment Plan must be submitted in October 2018; we will use our program meetings in early Fall 2018 to determine which of the SSC data points to focus on during AY 2018-2019]

<b>Student Success Measure (data point from SSC)</b>	<b>Rationale for selection</b>	<b>Planned or Implemented Intervention</b>	<b>Current score/ Target Score</b>	<b>This measure was selected because of last Program Review or Accreditation (yes/no)</b>

\*Note: Programs may wish to monitor or review the same data point over multiple years.

**II. Trend Data**

Specific area where improvement is needed	Evidence to support the recommended change	Person(s) responsible for implementing the change	Timeline for implementation	Resources needed	Assessment Plan	Progress Made this Year
I. Develop concentrations of study to promote a cohesive and innovative curriculum	Recommended by external evaluator	Sociology faculty	AUC proposals will be made in Fall 2018 to implement concentrations, which will be online by Spring 2019	Concentration enrollment numbers	Track numbers enrolled in concentrations	Faculty agreed on two concentrations to implement as a pilot program
II. Develop the capstone course for our curriculum	Recommended by external evaluator	Sociology faculty	Tabled until next hiring process + improvements in recruitment	N/A	N/A	Faculty concluded that a capstone course cannot be offered currently due to inadequate staffing, and advice from administration that a capstone course would not run without ten enrolled students; capstone project may be revived if we

						can build capstone into the job description of the next departmental hire and if recruitment efforts are successful
III. Create a plan for ensuring that our majors obtain data analysis skills	Recommended by external evaluator	Sociology faculty	Complete	N/A	N/A	Successful hiring process with job description including teaching a departmental quantitative methods course; successful AUC proposals for said quantitative methods course
IV. Assess current recruitment initiatives and matriculation and develop a recruitment plan	Recommended by external evaluator	Sociology faculty; Admissions office	Ongoing – Fall 2018	Support from Admissions	Tracking enrollment in the major	Faculty met with staff from Admissions on 11-21-17 and were promised that several

						initiatives would be explored or implemented; no further contact has occurred since that meeting. Followup meetings will be scheduled in Fall 2018
V. Evaluate experiential learning opportunities, including internships and processes for informing, setting up, monitoring, and evaluating participation in the internship program.	Recommended by external evaluator	Sociology faculty; Internship coordinator	Ongoing	N/A	N/A	No change - evaluation of internships continues to be done by the internship coordinator
VI. Restructure the Sociology Club to ensure that it functions to enrich the experiences of FSU students, while also serving as a recruitment tool into the major.	Recommended by external evaluator	Sociology faculty; interested students	Complete, pending increases in enrollment	N/A	N/A	Faculty discussed the SOC Club on 3/20/18 and agreed that, due to low student interest and low enrollment,

						the reconstituting of the SOC Club is not a priority. This decision may be revised if enrollment increases.
VII. Inventory, review, revise and create necessary materials/documents for retention and graduation. This review process should also include policies and procedures.	Recommended by external evaluator	Sociology faculty; Office of Institutional Research	Summer 2018	Support from Institutional Research and Admissions	N/A	Faculty met with staff from Admissions on 11-21-17 and discussed retention. Staff discussed a graduation survey that is being developed, and solicited some information from faculty regarding recruitment. It is unclear when institutional research will become available. Efforts to create these

						recruitment documents are planned for this summer.
