

### THE WHAT

BOARD GAMES CAN BE JUST AS EXCITING AND COMPETITIVE AS MORE PHYSICAL GAMES. WHILE SOME GAMES WILL TEST THE MIND, OTHERS CAN BE MORE RELAXING.

### THE WHEN AND WHERE

EACH NIGHT OF PLAY WE'LL BE IN HAMMOND G01, WHICH IS IN THE HALLWAY PAST THE GAMEROOM. PLAY WILL START BETWEEN 4 AND 5PM AND CONTINUE THROUGH THE NIGHT FOR THOSE THAT ADVANCE.

### THE WHY

...OR WHY NOT?

RECREATION IS ABOUT MORE THAN EXERCISE. IT'S ALSO ABOUT GETTING TOGETHER WITH FRIENDS TO ENJOY YOUR FREE TIME. AND, IF YOU'RE LIKE US, INVITE SOME FRIENDLY COMPETITION!

- **Risk (Oct 14)** - Now more than 50 years old, one of the most popular games for those that wish to conquer the world.
- **Speed Puzzling (Nov 18)** - How fast can you complete a jigsaw puzzle? After the first round, finalists will compete head to head!
- **Memory Match (Jan 28)** - Flip the card and try to find a match. How well can you remember where the other one was?
- **Battleship (Feb 11)** - You sunk my battleship! Enough said.
- **Chess (March 18)** - This game will work your brain. You might want to practice over spring break?
