To the Student

1. All day students are expected to register online at *Web4 Student Self Service*. This registration worksheet can be used when meeting with your academic advisor to discuss the courses you are planning to register for.
2. To register for any '0' seat or otherwise restricted course, you must ask the department offering the course to submit an online red card. An online red card will allow you to register for the course in *Web4 Student Self Service*.
3. You may register at any time after (but not before) your scheduled time. Log into *Web4 Student Self Service* to see what time you are scheduled to begin registration.
