

## Forensic Graduate Nursing Program

### NURS 8200 Care of the Victim

#### Clinical Agency Suggestions:

District Attorney Prosecutors Office  
Child Abuse Agency  
SANE or SART facility  
Domestic Violence Agency  
Massachusetts (various states) Nurses Association (worked on policy for safe staffing ratios)  
Office of the Chief Medical Examiner (various states and various assignments)  
Child Protective Services Unit  
Human Trafficking Unit  
Battered Women's Shelter  
At Risk Youth Program  
Risk Management within hospital  
School Nursing Program with Inner City Youth  
Drug and Alcohol Counseling Program for Young Offenders

#### Preceptor qualifications:

Preceptor ideally should be an APRN, Psychologist, or MD.

However some of the agencies do not have nurses, psychologists or MDs on staff, so a minimum of Bachelor's prepared with some type of specialized training or certification that makes them an expert in their field is required. The credentials of the preceptor in these cases will have to be approved by the instructor, Professor Shulman. Student will be required to forward CV of preceptor to instructor/FSU to be approved prior to pursuing permission for clinical placement.

#### Procedure:

1. Email Preceptor resume to instructor, Professor Shulman, to obtain her 'approval' for the Preceptor and the Clinical Agency.
2. Email signed and dated Preceptor Contract, Preceptor resume, preceptor title, email address and phone number to Deborah Gifford. Deborah will obtain instructor's signature.
3. Email Deborah Gifford the following information for the Clinical Contract:
  - Clinical agency name, address, phone number
  - Contact person (at agency) name, title, email address and phone number
4. It can take 4 – 12+ weeks to process the Clinical Agency Contracts.
5. You may not start your clinical experience until both FSU and the Clinical Agency administration have signed the Clinical Agency Contract.
