However some of the agencies do not have nurses, psychologists or MDs on staff, so a minimum of Bachelor's prepared with some type of specialized training or certification that makes them an expert in their field is required. The credentials of the preceptor in these cases will have to be approved by the instructor, Professor Shulman. Student will be required to forward CV of preceptor to instructor/FSU to be approved prior to pursuing permission for clinical placement.

Procedure:

1. Email Preceptor resume to instructor, Professor Shulman, to obtain her 'approval' for the Preceptor and the Clinical Agency.
2. Email signed and dated Preceptor Contract, Preceptor resume, preceptor title, email address and phone number to Deborah Gifford. Deborah will obtain instructor's signature.
3. Email Deborah Gifford the following information for the Clinical Contract:
 - Clinical agency name, address, phone number
 - Contact person (at agency) name, title, email address and phone number
4. It can take 4 – 12+ weeks to process the Clinical Agency Contacts.
