15. What did we not ask you about but you feel we should know?

1. I was a grad student. I got my degree in school counseling. However, I already had a masters degree in education. I was never advised to get my masters degree at Fitchburg in mental health counseling. I should've been. Because I couldn't become a school guidance counselor with a masters in education and a masters in mental health counseling. But I could not become a mental health counselor with a masters in education and a masters in school counseling. As a result, my professional options after graduation or severely hindered. I remain frustrated and disappointed about that to this day.
