**10.** We are always looking for feedback to help us with quality and improvements. Is there something you would like to share with us regarding facilities or your program that wasn't captured above?

- Commuter students need more parking.  
Perhaps a more active shuttle service or larger mode of transportation to carry more students across campus could improve overall campus well-being. Overall, I am very confident and satisfied with my learning experience at Fitchburg State University, thus far!
  - I used to be an on campus student and it would be nice if dorms were renovated, especially mara village and the townhouses. Also, parking is another issue. It would be easier if there were more parking lots available and closer? Something like the civic center, but around the dorms so it wouldn't be so far.
