15. What did we not ask you about but you feel we should know?

- I very much enjoyed my time obtaining both of my degrees at Fitchburg State University, so I was curious if there will be more opportunities for alumni to connect?
- Honestly, I believe that most of my skills came before I entered into Fitchburg State University to finish my education - both undergraduate and graduate courses. I had some wonderful professors to enhance my skills as an older student. This is why I answered the questions as Well vs. Very Well.
