

**Fall 2021
FINAL EXAM SCHEDULE
December 10, 13-16**

Directions:

1. From the Final Exam Meeting Time Chart below, identify the weekly meeting day(s) of your class.
2. Find the start time of your class and the corresponding exam block letter.
3. Locate the exam block letter in the Exam Block Schedule.
4. This is the date and time your final exam will be held (if your course is held in two different rooms, your final is the room you are schedule in that falls on the first day of the week).
5. If you have an additional instruction day on your class (outside the approved block), you would exclude that day when determining your final exam day and time. (***)please note(***) if your class does not fall within the university's official time block, you must go by the days the course meets in the official block. For example, if your class is Monday and Wednesday 9:30-10:55 and then you have a 50-minute session on Friday, you would follow the Monday/Wednesday 9:30-10:55 block only).

Example: Your Intro to Speech class meets on **Monday and Wednesday** from **2:00 – 3:15**
 The Exam Block Letter is **“S”**
 Looking at the Exam Block Schedule **“S” = Friday, December 13, 8:00 – 10:00 a.m.**
 This is the date and time your final exam will be held.
