

MAJ Proposal Form: Fitchburg State University AUC 2021-2022

Dual General Education Designation and Major Program of Study

This form should be filled out to request that a requirement within a major program of study (as opposed to a general education requirement) be allowed to satisfy both a GE requirement and the major requirement (MAJ designation).

Note: apart from the Foundations for Lifelong Learning, students may complete up to three GE requirements (e.g. Civic Learning, IHIP, etc.), up to 9 credits, with approved coursework within their major.

One form should be filled out for all initial requests to substitute major requirements in the new General Education curriculum.
