Fitchburg State University was allocated funding as part of the Higher Education Emergency Relief Fund III (HEERF III). This funding was authorized by the American Rescue Plan (ARP), Public Law 117-2, and signed into law on March 11, 2021. This act requires that \$5,788,078 is disbursed to students to cover emergency costs that arise due to coronavirus, such as tuition, food, housing, health care, or child care. Additionally, this act requires prioritization of students who demonstrate the greatest financial need. Fitchburg State University distributed approximately 50% of the student portion of the ARP HEERF III funds during the Fall, 2021 semester.

## Fall 2021 Disbursement

ARP HEERF III funds were automatically distributed as direct payments to eligible undergraduate, graduate and non-degree seeking students (estimated 6,431 registered students) based on a combination of the number of credit hours a student is registered for in the Fall, 2021 semester and a student's latest Expected Family Contribution (EFC), as of 10/27/2021. The EFC is an index number that is calculated based on the information students provide on their Free Application for Federal Student Aid (FAFSA) at [www.fafsa.gov](http://www.fafsa.gov). As of 10/26/2021 6,431 (this represents all students registered for at least 1 course at the time of disbursement) students received a total of \$2,906,850 in ARP funding as direct payments.
