

Member Benefit Program

Account # 6003446

Sullivan Tire & Auto Service has designed a Member Benefit Program specifically for the Employees of the **ABC** and their family members! Sullivan Tire & Auto Service offers full auto service care providing a wide range to select from for employees. Some of the auto services that we provide are:

- *Oil & Filter Change * Tire Rotation & Balancing, Comprehensive Vehicle Inspections, Engine Diagnostics, Preventative Maintenance, Battery testing and replacement
- * Alignment Service * Brakes, Exhaust, Shocks, Windshield Glass Replacement, and All Dealer Services

THE PROGRAM

A special account number 1469013 has been assigned to the member account. This account number easily identifies members and their vehicles for specific prices and discounts. This account can only be used for repairs with cash, check or credit card payment. ***Members invoices cannot be mistakenly charged to a company account.**

This benefit program is offered at over **75 Sullivan Tire & Auto Service locations** throughout New England and provides a **10% discount** on all parts and labor. **Tires are always at an everyday low price and receive no discount, but tire install, and balancing does apply.** Be sure to check our web site for monthly tire specials and rebates. Once a Member vehicle is profiled in our system, an alert will notify any Sullivan Tire & Auto Service location that this customer is enrolled in the program and the discounts will be calculated automatically.

This is a valuable benefit that the **ABC** shares with its Team Members and Staff offering them consistent pricing on tires and auto service that takes advantage of Sullivan Tire & Auto Service 65 years of automotive expertise in the New England area.

MEMBER BENEFIT

- All that's needed when a ABC Employee brings their vehicle to Sullivan Tire & Auto Service is to announce their **Special Program** status with **ABC** and we'll take it from there. The **10% benefit** will be reflected on their final invoice - for all applicable services.

Phone Ahead Service appointments are suggested at all Sullivan Tire & Auto Service locations.

If you have any questions regarding this program and its benefits, please contact Steve Bell **Business to Business Specialist**
